## LAUREN KLINGENSMITH

Lauren is a sweet, beautiful young lady who was shot in the head on her way to school. She is a patrol, a scout and is an exceptional student and has rode on a Harley since before she could walk! She didn't deserve to suffer such a terrifying experience. Her parents have also endured unimaginable hardships of their own.

Let's show and give them some support and celebrate the fact that Lauren is still here with us! All food donations will be for Lauren. Montees Sports Bar & Grill is supplying all of the meats, with customers, friends & employees fixing the sides ... so covered dishes & baked goods are very welcomed!!
