Dear Mr. Lasker:

On behalf of Community Resource Deputy Michelle Branscomb, Hillsborough County Sheriff's Office, please accept this letter of thanks to show our appreciation for your generous donation of the autographed T-shirts by Hulk Hogan and yourself which was raffled off in behalf of the fundraising benefit for Lisa Kersey "The Glow of Hope".

We are grateful to have the support of concerned citizens and business leaders, such as yourself, in the Tampa Bay area. Your donation helped a family in need when they had no help at all. This will not go forgotten.

Thank you again for the donation of these products and, as always, be assured of our cooperation on matters of mutual concern.

Sincerely,

Captain John C. Marsicano
